RE : **Extension of the date for Academic Exclusion Appeals**

Dear Students,

The University has noted that a number of students were unable to submit their exclusion appeals due to various circumstances. In consideration of these challenges, the deadline for the submission of exclusion appeals has been extended once more to **Thursday, 29 January 2026**.

Students are hereby advised that this constitutes the **final extension** that will be granted in this regard. All affected students are therefore strongly urged to ensure that their appeals are submitted on or before the stipulated deadline, as no further extensions will be considered.

Yours Sincerely,

**PROF BEN VAN WYK
DEPUTY VICE-CHANCELLOR: TEACHING & LEARNING**
