VACANCY BULLETIN

PART TIME LECTURER X 1
DEPARTMENT OF TECHNOLOGY AND VOCATIONAL EDUCATION
FACULTY OF HUMANITIES
SOSHANGUVE NORTH CAMPUS
Ref:26/G149

The Department of Technology and Vocational Education in the Faculty of Humanities invites applications for the position of Part-Time Lecturers for 2027 at the Soshanguve North campus for the following subjects:

- Mechanical Technology **(FMT208S)** and Subject Didactics: Mechanical Technology **(SMT208S)**

INSTRUCTIONS: Applicants are required to submit, together with the CV's, a fully completed standardized application form available from the university intranet as well as recently certified copies of qualifications, Identity Document. Failure to comply with this instruction will disqualify the candidate. Candidates may be subjected to appropriate psychometric testing and other selection instruments.

Key performance areas/Core functions:

The Lecturer in the Department of Technology and Vocational Education, School of Education, is an academic leader responsible for teaching and learning, curriculum development, assessment, student support, and academic administration in accordance with the Minimum Requirements for Teacher Education Qualifications (MRTEQ) and other relevant higher education policies and frameworks.

- Teach and facilitate the foundational concepts and principles of the relevant subject specialisation, including situated and contextual learning, at postgraduate level.
- Develop, review, and compile study guides and learning materials in accordance with prescribed level descriptors, programme outcomes, and institutional quality assurance requirements.

Women and people with disabilities are encouraged to apply.

Tshwane University of Technology

We empower people

- Plan, prepare, and deliver lectures, tutorials, seminars, assessments, and other learning activities that promote student success and academic excellence.
- Participate in departmental administrative activities, including:
- Compiling and moderating examination papers and memoranda.
- Developing continuous assessment activities, assignments, and tests.
- Marking assessments and examination scripts.
- Capturing and managing student marks on the Integrated Tertiary Software (ITS).
- Providing timely and constructive feedback to students.
- Participate in curriculum review, renewal, and re-curriculation processes within the School of Education to ensure alignment with the Minimum Requirements for Teacher Education Qualifications (MRTEQ), the Higher Education Qualifications Sub-Framework (HEQSF), and institutional requirements.
- Assist students with academic and administrative queries related to the BEd Honours programme and the relevant subject specialisation.
- Contribute to the continuous improvement of teaching, learning, assessment, and curriculum practices within the Department.
- Promote and uphold ethical conduct, academic integrity, excellence, and quality assurance in teaching and learning.
- Participate in departmental, faculty, and institutional committees, meetings, workshops, and academic activities as required.
- Engage in research and scholarly activities that contribute to the Department's research agenda and academic profile.
- Participate in community engagement initiatives and projects aligned with the strategic objectives of the Department, Faculty, and University.
- Collaborate with colleagues and stakeholders to promote innovation, quality, and continuous improvement in teaching, learning, research, and curriculum development.

Minimum requirements:

Academic qualifications:

- NQF Level 9.
- Master Education Degree with specialization in Mechanical Technology.

Women and people with disabilities are encouraged to apply.

Tshwane University of Technology

We empower people

Experience:
